

The City of Vancouver invites proposals for contracted civil attorney services. Proposals are due to the City Clerk's Office by **3:00 p.m., October 25, 2017**. The City seeks services encompassing the traditional scope of civil attorney work including providing legal counsel, opinions, consultation and representation with an emphasis on environmental law and land use and development review matters. This position will not include prosecuting services or indigent defense services. Attendance at City Council meetings and various other meetings may be required occasionally. Periodic access to office and meeting space are available for use in fulfilling this contract.
