

Assumption of Risk, Waiver and Release

Parental/Legal Guardian Assumption of Risk, Waiver and Release Notes:

This form is to be used for minors participating in City sponsored recreational activities. A cautionary note is that parents/guardians cannot waive the rights of minor children even though they may be able to waive their own rights. Also be careful that the actual parent/guardian signs the form and not another adult who may be bringing the child to the activity.

Participant Assumption of Risk, Waiver and Release Notes:

This form is to be used for adults eighteen years of age or older, who are fully competent, participating in City sponsored recreational activities.
